Nature of Complaint:

*****OPPOSED TO INCREASE REQUEST BY PIMA UTILITY*****

The NOTICE refers to an "Amended Decision No. 73573" as well as A.R.S § 40-252. It also refers to "Docket Nos. W- 02199A-11-0329 and SW-02199A-11-0330.

Robson built all out houses as well as the golf course & other facilities that encouraged us to buy here. The HOA bought the golf courses and facilities from Robson a few years ago.

Now the cost of water for the golf course & other facilities has increased well beyond the ability of the golf course to pay for itself based on the figures Robson gave us while trying to sell it to us. This happened in spite of increasing fees paid by golfers.

The rate increase to the Golf Course will be extremely high, the company did not have this high of an increase when they owned the golf course.

Best Regards,

Mark R. Winsryg

Subject: Pima Utility Company Petition to Amend Decision No.73573

Didn't the Commission approve an increase in November 2012? Why are you wasting more funds by going through the many time consuming steps to approve an increase that should have been addressed last year? Last year's 12.2% average increase may have been justified due to the length of time since a previous increase. Now add on 5.82% and it's an outrageous 18%!!! This is a merry-go-round spinning out of control! David Kofchock, Sun Lakes, AZ
